DEMO

Keep the  
design  
inside box

What is contained in the box will be printed, so fill the box but keep away from the black box frame line.

**Keep the drawing within the box**

Draw within the box, keeping the design in the directions of the arrows.

**Use the following materials to produce the design, bright, bold colours work best**

- Water based paint
- Coloured felt tips pens
- Coloured pencils

**Do not photocopy.** This is on the best quality paper for processing and scanning this order.

Do not use glitter or stick any additional items on to the design sheet, these cannot be scanned and the order will not be processed.

Do not use metallic pens, chalk, pastels, charcoal or graphite pencils.

We advise no borders as they may not look the best when printed.

Avoid small drawings with detail.
